Interiors news

By Lauren Romano

Daydream believer

Anyone who has ever set foot in the Kameha Grand Hotel in Zurich will have encountered design maverick Marcel Wanders' flamboyance first hand; from the floating bed in the space suite to the gold sequin-encrusted walls, his interiors are wacky to say the least. By comparison, Wanders' latest sofa collection for Moooi is surprisingly subtle. With rounded contours and a sink-in seat, the Cloud Sofa comes in a range of bouclé, twill or velour, finished with soft white cushions that will work 'Wanders' on your living room.
